

My Testimony

S: “I was going through despair, emptiness, and meaninglessness. Through a friend I learned about Jesus Christ, love, and forgiveness. I experienced His presence, found deep peace, renewed hope, and a living relationship with God.”

M: “Due to problems with Islam, I left religion for nine years. A Christian friend invited me to a house church. Because conversion is a major crime in Iran, I was forced to hide and eventually leave the country.”

H: “I was involved in drugs and alcohol and had a chaotic life until God’s grace and the gospel reached my heart. God soothed my wounds; I found peace, became God’s child, and now trust in Jesus Christ.”

A: “Born Muslim, with struggles and loss, I felt distant from God until meeting a Christian friend whose life had been changed. Through Christianity I found love, compassion, new life, and joy. I believe God accepted me and walks beside me.”

M: “My mother was healed and I saw the miracle of Christ. Christ touched my heart and I was saved. Jesus is my Saviour, the Anointed One; my salvation has purpose and strengthens my faith.”
