

Praise and Worship

Come now! Let us sing together to worship the LORD!
We will shout aloud
to praise God, the strong Rock who makes us safe!
Let us come near to God
and thank him!
Let us sing songs to praise him,
because we are so happy!
Yes, the LORD is the great God.
He is the great king who rules over all gods.
The deepest places of the earth are in his hand.
The highest mountains belong to him.
The seas are his,
because he made them.
He also made the dry land,
with his own hands.
Come now! Let us bend down to worship him!
Let us bend our knees in front of the LORD.
He is the one who made us.
He is our God.
He takes care of us,
like a shepherd takes care of his sheep.
As his sheep, he gives us what we need.
Today, you must listen to him and obey him.
He says, 'Do not refuse to obey me,
like my people did at Meribah.
They also did that one day at Massah,
in the desert.
Your ancestors tested me there,
to see if I would punish them.
But they had already seen the great things
that I had done for them!
So I was angry with those people
all the time for 40 years.
I said, "These people love to go the wrong way.
They refuse to follow my ways."
I was very angry and I promised,
"They will never come into my place of rest."
