

Prophecy

Clear messages from God help the church

1 Always want to love other people. Also, want very much to receive spiritual gifts from God. More than anything else, want to speak messages from God. 2 If someone speaks in a different language, he is speaking only to God. The people who hear him do not understand his message. God's Spirit is causing him to speak about secret things. 3 But if someone speaks a clear message from God, he helps the people who hear him. He helps them to become stronger as believers. He helps them to be happy and strong when they have trouble. 4 Anyone who speaks in a different language only helps himself. But a person who speaks a message from God helps the believers in the church to become strong.

5 I would like all of you to speak in different kinds of languages. But even more, I want you to speak God's message clearly to people. Anyone who can speak a message from God is important in the church. He gives more help than someone who speaks in different kinds of languages. That person only helps the church if someone can explain what he says. Only in that way will his message help the church to become stronger.
