

The Bible

2 Tim 3:14-17

But you must continue to believe the things that you have learned. You know that those things are true. You know the teachers who taught you those things. Even when you were a child, you already knew the message of the Bible. The Bible has taught you how you can be truly wise. You understand that God saves you because you believe in Christ Jesus. Everything that is written in the Bible comes from God's Spirit. It helps us in many ways. The Bible teaches us what is true. It warns us when we are doing wrong things. It shows us what is right. It teaches us how to live good lives. As a result, people who want to serve God can know how to live properly. They will be people who are ready to do all kinds of good things.
