Signs of the Kingdom coming – healing, deliverance, salvation, presence of God, joy, peace, justice, righteousness, comfort

Matthew 4:23-25

Jesus travelled everywhere in Galilee. He taught the people in the Jewish meeting places. He told them the good news about God's kingdom. He also caused sick people to become well again from all their different pains and illnesses. 24 More and more people in all parts of Syria heard about Jesus. So they brought all the sick people to see him. These people had many different illnesses, and some of them had strong pains. Bad spirits were living inside some of them. Some people could not control their bodies, and some people could not walk properly. Jesus caused all these people to become well again.

Rev 21:3-5

I heard a voice that spoke loudly from the throne. It said, 'Look! God's home is now among people! God will live together with them. They will be his people. God himself will be with them and he will be their God. 4 God will take away all the tears from their eyes. Nobody will ever die again. Nobody will be sad again. Nobody will ever cry. Nobody will have pain again. Everything that made people sad has now gone. That old world has completely gone away.'
